PROFESSIONAL SUMMARY

Adaptable Information Technology graduate from Universitas Gadjah Mada with broad experience across IT operations, technical project coordination, infrastructure management, and workflow automation. Passionate technology enthusiast with a strong foundation in systematic troubleshooting, software development lifecycles, and digital system integration. Proven track record in bridging technical developer teams with business stakeholders to build efficient digital solutions. Eager to contribute technical versatility, problem-solving skills, and a strong drive for learning to dynamic IT and technology roles.

Technical Skill & Competencies

- **Core IT & Infrastructure:** System Troubleshooting, IT Infrastructure Operations, Hardware & Software Support, Network Fundamentals, Basic Linux/Windows Administration.
- **Software & Technical Management:** Software Project Coordination, IT Process Mapping, Workflow Automation, Technical Documentation & SOP Writing, Digital Archiving.
- **Data & Productivity Tools:** SQL Queries, Google Workspace Admin, Microsoft Office Suite, Project Management Tools (Jira/Trello).
- **Soft Skills:** Critical Problem Solving, Cross-Functional Team Collaboration, Stakeholder Communication, Fast Learner & Technology Enthusiast.
- **Languages:** English (Professional Working Proficiency), Indonesian (Native).

PROFESSIONAL EXPERIENCE

PT. Studio Sora Teknologi (SoraDev)

Lead / IT Project Coordinator | June 2025 – Present

- Supervise end-to-end IT project lifecycles, translating business and user requirements into technical task specifications for development teams.
- Coordinate daily tech studio operations and implement automated internal workflows to streamline task tracking and collaboration.
- Maintain clear technical communication between developers, clients, and external stakeholders to deliver digital products on schedule.
- Standardize digital archiving and documentation systems for code repositories, technical files, and legal agreements.

PT. Bach Multi Infrastruktur

Team Leader – Infrastructure Operations | Nov 2025 – Mei 2026

- Spearheaded technical field operations across multiple sites, coordinating schedules and maintenance tasks among field engineers and management.
- Diagnosed and resolved technical infrastructure incidents quickly to maintain high uptime and operational continuity.
- Managed technical resource allocation and tracked project timelines to optimize operational efficiency.

Various Client – International

System & Operational Consultant | Freelance | Desember 2024 – May 2025 – Australia

- Advised small-to-medium business clients on digital transformation, IT workflow optimization, and digital tool adoption.
- Authored clear user guides, SOPs, and technical operational manuals to standardize team workflows.

Digital Talent Scholarship - Komdigi

Assistant Instructor – Training Coordinator | June – August 2019 & May – July 2020

- Provided technical and administrative support for large-scale IT training initiatives reaching 1,900+ participants.
- Assisted in setting up online learning environments, resolving participant technical issues, and preparing learning materials.

EDUCATION

Bachelor of Information Technology

Gadjah Mada University | Graduated 2024

CERTIFICATIONS & TRAINING

- **Cisco Networking Academy:** Introduction to Cybersecurity (March 2026)
- **PT Bach Multi Infrastruktur & Huawei Tech Investment:** Catu Daya Sector Telecommunication Training (November 2025)
- **PT Bach Multi Infrastruktur:** First Aid Training at Workplace (November 2025)

CERTIFICATES

This certificate is awarded to

Andrew Chivas Arsenal Rico

for successfully completing

Introduction to Cybersecurity

offered by Networking Academy
through the Cisco Networking Academy program.

Lynn Bloomer
